Summer Trail Work

The City of Nevada has approved repair work for the Indian Creek Trail this summer. This repair work will take place at multiple locations along the trail. Signage will be put out along the trail to notify trail users of the work areas. As work is taking place, we will do our best to minimize the number of areas that will be affected at any one time. It is expected that this work will be done throughout the summer and completed by September 1. It is our goal to provide a safe and enjoyable experience for you. If you have questions, please call the Parks and Recreation Office at 382-4352.

TeamMates is a school-based, one-to-one mentoring program. The focus of the mentoring relationship is for an adult volunteer to build a positive relationship with a student to help them reach their full potential. All mentoring takes place during the school year and takes a half hour per week. This program is open to all students. If you are interested in mentoring or would like to have a mentor for your child, please contact us.
