

## Summer Trail Work

The City of Nevada has approved repair work for the Indian Creek Trail this summer. This repair work will take place at multiple locations along the trail. Signage will be put out along the trail to notify trail users of the work areas. As work is taking place, we will do our best to minimize the number of areas that will be affected at any one time. It is expected that this work will be done throughout the summer and completed by September 1. It is our goal to provide a safe and enjoyable experience for you. If you have questions, please call the Parks and Recreation Office at 382-4352.

## Mosquito Control

The mosquito control program will be run by the city staff again this summer. Look at the City of Nevada's sign at the corner of Lincoln Highway and 6<sup>th</sup> Street for an approximate time frame of spraying. If you want specific notification again this summer, please sign up again. Notifications will be sent out via email. You will need to call Parks and Recreation at 382-4352 and you must know your cell phone provider when you sign up.

## Library News

### Library Closing

The library will be closed Wednesday, July 4.

### Summer Reading is in full swing!

There is still plenty of time to stop in and pick up a reading log to participate. Summer Reading is open to all ages (including adults), and you can earn fabulous prizes for the reading you're already doing. Contact the library for more information.

### Library Board Seeks New Member
