

Summer Trail Work

The City of Nevada has approved repair work for the Indian Creek Trail. This repair work will take place at multiple locations along the trail. Signage will be put out along the trail to notify trail users of the work areas. As work is taking place, we will do our best to minimize the number of areas that will be affected at any one time. It is our goal to provide a safe and enjoyable experience for you. If you have questions, please call the Parks and Recreation Office at 382-4352.

Mosquito Control

Look at the City of Nevada's sign at the corner of Lincoln Highway and 6th Street for an approximate time frame of spraying.

American Legion Auxiliary

More In July!

COMMUNITY COFFEE, Second Saturday of each Month

The Second Saturday of each month city officials host a Saturday morning Coffee at Farmgrounds at 9:00 a.m. The intent is to provide the community an opportunity to engage in conversations with city officials. One or two council members will be in attendance. From time to time they may be joined by other officials from Story County, Nevada School District and other local entities that impact our community. These are not official meetings of the Nevada City Council, but rather an opportunity for community members to provide feedback in an informal setting.

Library News
