MUNICIPAL CODE CARE AND MAINTENANCE

500.1	Use and Maintenance of the Code of Ordinances	500.5	Supplement Record
500.2	Distribution of Copies	500.6	Distribution of Supplements
500.3	Numbering of Ordinances and Amending the Code of Ordinances	500.7	Amending the Code of Ordinances
500.4	Retention of Amending Ordinances	500.8	Ordinances Not Contained in the Code of Ordinances

500.1 USE AND MAINTENANCE OF THE CODE OF ORDINANCES. The following information is provided the Code Editor, Iowa Codification, Inc., to assist in the use and proper maintenance of this Code of Ordinances.

500.2 DISTRIBUTION OF COPIES.

1. Official Copy. The “OFFICIAL COPY” of the Code of Ordinances shall be kept by the City Clerk and shall be identified as the “OFFICIAL COPY.”
2. Distribution. Other copies of the Code of Ordinances shall be made available to all persons having a relatively frequent and continuing need to have access to ordinances which are in effect in the City as well as reference centers such as the Nevada Public Library and the Nevada schools, if requested by the school. The City Clerk shall be responsible for furnishing a copy and all updates as they are issued, to the District Associate Judges’ chambers located at the Justice Center in Nevada and Ames City Hall in Ames, Iowa.
3. Sale. The sale or distribution of copies in a general fashion is not recommended as experience indicates that indiscriminate distribution tends to result in outdated codes being used or misused.
4. Record of Distribution. The City Clerk shall be responsible for maintaining an accurate and current record of persons having a copy of the Code of Ordinance. Each official, elected or appointed, shall return to the City, upon leaving office, all documents, records and other materials pertaining to the office, including this Code of Ordinances.

(Code of Iowa, Sec. 372.13[4])

500.3 NUMBERING OF ORDINANCES AND AMENDING THE CODE OF ORDINANCES. The Code Editor recommends that a simple numerical sequence be used in assigning ordinance numbers to ordinances as they are passed. For example, if ordinance adopting the Code of Ordinances was No. 163, we would suggest that the first ordinance passed changing, adding to or deleting from the Code be assigned the number 164; the next ordinance is

assigned the number 165, and so on. We advise against using the Code of Ordinances numbering system for numbering of ordinances.

500.4 RETENTION OF AMENDING ORDINANCES. Two related Ordinance Books shall be maintained by the City Clerk: (1) the Code of Ordinances compiled in chronological order by sequential ordinance number, and (2) an ordinance book by Chapter and Section number. Iowa Codification will assist in the maintenance of the Code of Ordinances book, per the Supplement Agreement, by revising and returning appropriate pages for the Code of Ordinance book as required to accommodate ordinances amending the Code. The City Clerk is responsible for maintaining the ordinance book and must be sure that an original copy of each ordinance adopted, bearing the signatures of the Mayor and Clerk, is inserted in the ordinance book and preserved in a safe place.

500.5 SUPPLEMENT RECORD. A record of all supplements prepared for the Code of Ordinances is provided in the front of the Code. This record will indicate the number and date of the ordinances adopting the original Code and of each subsequently adopted ordinance which has been incorporated in the Code. For each supplemented ordinance, the Supplement Record will list the ordinance number, date, topic, and chapter number of the Code affected by the amending ordinance. A periodic review of the Supplement Record and ordinances passed will assure that all ordinances amending the Code have been incorporated therein.

500.6 DISTRIBUTION OF SUPPLEMENTS. Supplements containing revised pages for insertion in each Code will be sent to the Clerk. It is the responsibility of the Clerk to see that each person having a Code of Ordinances receives each supplement so that each Code may be properly updated to reflect action of the Council in amending the Code.

500.7 AMENDING THE CODE OF ORDINANCES. The Code of Ordinances contains most of the laws of the City as of the date of its adoption and is continually subject to amendment to reflect changing policies of the Council, mandates of the State, or decisions of the Courts. Amendment to the Code of Ordinances can only be accomplished by the adoption of an ordinance.

(Code of Iowa, Sec. 380.2)

500.8 ORDINANCES NOT CONTAINED IN THE CODE OF ORDINANCES. There are certain types of ordinances which the City will be adopting which are not required to be incorporated in the Code of Ordinances. These ordinances include ordinances (1) establishing grades of streets or sidewalks, (2) vacating streets or alleys, (3) authorizing the issuance of bonds and (4) zoning map ordinance.
