FINAL INSPECTION
Should any part of the lot described above be in the flood plain or floodway, the applicant must submit a flood plain development permit application and is required to submit an elevation certification.

All work done under this permit shall be in compliance with the Ordinances of the City of Nevada, the laws of the State of Iowa and the state building code which has adopted the following codes:

- National Electrical Code, NEC (2005)
- International Mechanical Code, IMC (2003)
- Uniform Plumbing Code, UPC (2000)
- Model Energy Code, MEC (1992)

It shall be the responsibility of the owner or contractor to contact the building inspector for all inspections at least two days prior to desired date of inspection.

NOTICE

This permit becomes null and void if work or construction authorized is not commenced within 120 days, or if construction or work is suspended or abandoned for a period of 120 days at any time after work is commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulation construction or performance of construction.
